This certificate affirms that the above stated medical device is listed with the U.S. Food and Drug Administration pursuant to 21 CFR Part 807. "Listing of a device or assignment of a listing number does not in any way denote approval of the device or its manufacturer. Any representation that creates an impression of official approval because of listing or possession of a listing number is misleading and constitutes misbranding." Export Global Opportunity Inc. confirms that such listing remains effective upon request and presentation of this certificate until **December 31, 2024**, unless such listing has been terminated after issuance of this certificate.

Export Global Opportunity Inc. makes no other representations or warranties, nor does this certificate make any representations or warranties to any person or entity other than the named certificate holder, for whose sole benefit it is issued. This certificate does not denote endorsement or approval of the certificate-holder's device by the U.S. Food and Drug Administration. Export Global Opportunity Inc. assumes no liability to any person or entity in connection with the foregoing. The U.S. Food and Drug Administration does not issue a certificate of listing, nor does the U.S. Food and Drug Administration recognize a certificate of listing. Export Global Opportunity Inc. is not affiliated with the U.S. Food and Drug Administration.
